

COLLEGE OF ARTS AND SCIENCES

English and Comparative Literature

## Concentration in Film Studies

This concentration focuses on the history, theory, analysis, and politics of cinema in a global context. Students become conversant with the evolution of film genres, styles, and traditions, while exploring relationships between film and other artistic forms, including literature, painting, photography, television, and digital video. This concentration enables students to gain skills of audiovisual literacy that are necessary for navigating the many screens of our modern world.

foundational course: ENGL 142

the film studies core:

3 courses: survey 1+ survey 2+ depth

add:  
additional  
requirements

choose 1 methods/critical approach  
course: CMPL 240 or ENGL 680

choose 5 from:  
film studies electives

---

among these 10 required courses:
